
AGREEMENT REGARDING THE SALE OF LYPARIS / GO VOYAGES

NPM/CNP and its partners have signed an agreement regarding the sale of their investment in LYPARIS / GO VOYAGES to a group of investors led by AXA PRIVATE EQUITY.

The closing of this transaction is subject to the agreement by the competition authorities and to several conditions related to the environment in general between now and the end of the quarter. Upon realization of the conditions, the favourable impact on the adjusted net assets and the restricted consolidated profit would amount to some EUR 0.5 per NPM/CNP share. The consolidated impact would be slightly lower due to profits already booked during former periods.
